

**Founded in 1968, The International Plastic Modeler's Society of Orange County is the premier Plastic Modeling club of Southern California.**

As stated in our constitutional document, the purpose and objective of IPMS/OC is to:

Promote and enjoy the amateur pastime of miniature modeling.

Furnish a common meeting place for IPMS/OC members.

Disseminate information and provide support and encouragement to IPMS/OC members.

Enjoy cordial relations with other IPMS Chapters, both national and international, and other organizations with related objectives.
